

## President's Corner

Thanks to Board members Sandy Croteau and Dawn Reynolds for all of their work on the I'm A Protector program. We have had 4 public meetings, presented to several community groups and those presentations will be ongoing. Do you have a group we can present to? Let Sandy know at [sandyc@protectorsoftulesprings.org](mailto:sandyc@protectorsoftulesprings.org). The next phase starting NOW is visiting local businesses in the area, educating them on the Monument and ask them to participate by putting a sticker (shown in the corner) in their window. Can you take on a shopping center??? Please let Sandy know you can help.

As I write this, final interviews are happening for our new NPS Superintendent. Finally, the hiring freeze was lifted. Stay tuned.

## October 24th Membership Meeting

Our next meeting will be on October 24th from 6-7:30 at the Sun City Aliante clubhouse. Featured speakers will include:

- \*Our new Superintendent (I hope, keep all fingers crossed)
- \*Tahoe Mack-A local Senior Girl Scout who will tell us about her Monumental Mammoth project she is doing to earn The "gold award" in scouting. Life size mammoth anyone?
- \*Mary Savage-A Lifetime member who is also President of The Friends of the Nevada State Museum will tell us what is new at the Museum and how to get involved.

Please bring a friend. And, you can even renew your dues for 2018 at this time.

**The Mission of the Protectors of Tule Springs is to increase public understanding, appreciation and enjoyment of the Tule Springs Fossil Beds National Monument, through aid to the National Park Service and support of programs for the interpretation and protection of Monument resources.**
